Memorare Fishing Club by Ed Ireland

After the blizzard at the end of January we should be thinking ahead to a long-awaited spring. COVID has put a damper on many functions, but it gives us more time to tend to our fishing gear. Jim Miller gave an informative lesson on knot tying at our January meeting. Reel repair and rig tying will be discussed at the February meeting. We will have a guest speaker at our March meeting. Green Island-Night/Sport fishing permits can only be purchased on-line. Fee is \$35.

We are trying to get a cod fishing trip together when the weather cooperates.

We have lost many members who have moved, passed away or are ailing.

We are looking for new members who show an interest in fishing. It is great to get out on the water, away from this pandemic.

We have meetings on the third Monday of each month. Give me a call if interested at 516 660 6953.

The next 2 meetings will be on March 21, and April 18th at 7:30 PM in the Columbian Room.

Quote: Ice fishing is a cold, wet, noisy, smelly way to catch fish. And the fish deserve better !

Happy St. Patrick's Day
