October 2013

## Grand Knight's Message

I want to personally thank all the Council Officers for their hard work and dedication afforded to Memorare and especially to myself. As Grand Knight, you cannot do everything yourself and need the help of other members and for the first 3 months of my administration, all have come through fantastically and I hope and pray that I will receive the same selfless support from everyone for the remaining 9 months.

The Oktoberfest was scheduled after this issue went to press but from all indications it appeared to be a success,

Italian Night is looming on October 12 and plan on attending for a night of enjoyment. Also plan on exercising the next day to lose the pounds gained. I also ask that you give support in any way to the Columbiettes important fund raiser on October 10, Chinese Auction, at Domenico's Restaurant in Levittown.

I'll close, before our Editor gets his red pen out, with a request that you support our C&B Drive now going on and especially we need help at the Sales Drive at St. Rose of Lima Church on October 5 and 6.

May God bless you and your families.

John Kopp  
Grand Knight

## FOURTH DEGREE NEWS

By Augie Savarese, PFN

The October meeting of the Assembly will be at Memorare Council on Wednesday, October 30, 2013, at 8 PM.

The Patriotic "Fourth" Degree will be exemplified on Sunday, October 13 at the Marriott Hotel in Melville.

Memorare Council and Padre Pio Assembly thank all who attended the Oktoberfest on September 14 and made it a great success.

## MEMORARE FALL BLOOD DRIVE

On Monday, November 25, 2013, 2:45- 8:45pm, Memorare will host its fourth blood drive for 2013. Food donations will also be accepted for the Council's food pantry. Roast beef dinners will be offered to all donors. Please come down and donate. Also, please spread the word to your families and friends. The blood is used by cancer patients and accident victims throughout the metropolitan area. Unfortunately less than 5% of all eligible donors chose to donate so every pint is vital.

Fraternally yours,  
Charlie Barr

## NOTTE ITALIANO

For those of you who are British and do not understand the Italian language, the above title is "Italian Night", a night of food and merriment which will take place on Saturday, October 12, 2013, in the Cathedral Room.

This all will follow with dessert, coffee, tea. An Open Bar with top shelf liquors will be provided all evening including beer, wine and soda.

Music for your dancing pleasure will be provided by our DJ Bob.

All of this fantastic delight is available at \$37.50 per person and tickets were still available at presstime from Event Chairman John Savin, PGK, and Ticket Chairman John Campanaro, PGK at the October 2 meeting and on Tuesday evenings, October 1st and 8th in the Columbian Room.

**HEARD 'ROUND  
MEMORARE**

**By Mike Bonagura**

**E-mail: editor3476@aol.com**

Football is now in full swing on tv, pro, college, high school, and of course the never ending commercials whenever they get a chance of which there are plenty. Sometimes, they make room for a football game.

I tell you that when you go to Disneyworld, you do not go for a rest. Just got back from our annual visit and, at my age, it doesn't get easy. I may have to resort to a motor scooter next year.

Now comes the month I go bankrupt with all the family birthdays. So, I'll send birthday wishes to my daughter, Sis. Col. Trish Campanaro, Oct. 3, my wife, Sis. Col. Dolores, Oct. 4, granddaughter, Elizabeth, Trish's daughter, Oct. 12, granddaughter, Angela, Bro. Michael's daughter, Oct. 13, and, finally if there is any money left, my son, Bro. Anthony, Oct. 28.

I'll now leave you with this thought, "Dear God, help me to remember today that You, and You alone, are God."

**GET YOUR FIBER FIX**

Adding 10 grams of soluble fiber to your daily diet can reduce your visceral fat-the most dangerous type of body fat because it wraps around organs. Meeting this total is as simple as adding an apple to breakfast, a cup of carrots to your lunch, snacking on a pear and having a cup of black beans with dinner.

**SQUIRETTES**

**By Joanne Verderosa**

Our next meeting will be Monday, October 28, 2013, at 7:30 PM Dues at \$5 are still due.

The girls will be planning their activities for the coming year. Still are in need of counselors. You'll enjoy the time.

**C&B RESPONSE  
CONCLUDED**

Following are more of the responses Memorare received from the C&B recipients.

St. William the Abbot - Thank you again for your generous support of the students at St. William.

Marlo Thomas for St. Jude's Children's Hospital - Thank you, you've given faithfully to St. Jude - a commitment that means more than you'll ever know to precious children fighting deadly diseases.

ACDS - Thank you - your gift enables the agency to continue its mission to provide lifetime resources of exceptional quality, innovation and inclusion to individuals with special needs.

**OFF BY A YARD**

Walking past a house, a stranger saw a ferocious looking dog on the front lawn

"Does your dog bite?" he asked a man who was standing nearby.

"Nope," the man replied. "He doesn't."

As he proceeded down the street, the dog suddenly ran after him and bit him in the leg.

"Hey, you said your dog doesn't bite!" he yelled.

"That's not my dog," the man replied.

**THE CHAPLIN'S CORNER**

More than any other time of year, September feels like a time of transition. We leave behind the summer with its opportunities, I hope, for more time with family and for leisure, and we return to our normal schedule. As I look back upon this past summer, three demonstrations of people's faith remain in my memory.

In early July I had the privilege of leading a parish pilgrimage to Spain and Portugal. There were many highlights during this trip, but the devotion of the pilgrims at Fatima and Santiago de Compostela are worth recalling. Fatima needs no introduction, for it is one of the great Marian shrines in Christendom; and Santiago, which honors St. James the Apostle, has been a destination for pilgrims since medieval times. I am happy to say that both shrines still attract thousands of pilgrims every week and that the devotion of the people is obvious in the fervor of their prayers and in the sacrifices many have made to reach these shrines.

This is especially true of Santiago where many of the pilgrims have reached there after walking some portion of the Camino de Santiago or 'The Way,' which is the ancient pilgrim route to the shrine. Some of the pilgrims we spoke with set out hundreds of miles away from the shrine, but were happy to have made the journey.

My final experience of the power of people's faith was at the Mass of Ordination for Fr. Vian Ntegerijimana at his home parish in Kinanira, Uganda. Fr. Vian had done his Pastoral Year at St. William's, and I was able to participate in this important event in his life. The ordination attended by almost 4,000 people, most of whom walked miles to get to the church. The joy and enthusiasm of that Mass was unforgettable and inspiring in every way.

Seeing the faith in action among the people of Uganda and at these shrines reminded me that our Catholic faith still inspires and sustains millions of people throughout the world. Here at home it can sometimes be discouraging for both priests and lay people to see so many people putting their faith on the back burner so they can be busy with other things. Christ has taught us, however, that being a Christian means putting God at the center of one's life, not in the corner, and that the rewards of such a sacrifice far surpass anything we may have given up. Through prayer and action may we always be pilgrims journeying closer to God throughout all our lives.

Fr. Robert Hayden

**CHIPS FROM THE BOARD**

**By Mike Bonagura**

I did not attend the August 26 meeting of the Board of Directors because I was in bed early preparing for my early departure for Florida the next morning so there is no report for this meeting.

I can, however, report on the progress of the surveillance cameras that has been in the planning stages for the past year. I was told that all cameras, both in and out of the building, have been installed and are in proper working condition.

The next Board meeting will be Monday, October 25 at 7:30 PM.

If you have this equipment for disposal or are in need of such equipment, contact Bro. Jim Gallagher, 516-522-4440.

### CRASH COURSES

Distracted driving isn't the only road risk your teen should avoid. Being pre-occupied while walking is also hazardous. The number of teen pedestrians who've been hit by a car in the past five years has risen 25% over the previous five years. One reason: They're fixated on their gadgets. Get your kid to stroll safely by cautioning against these two behaviors.

## SKIPPING CHURCH

\*\*Father Norton woke up Sunday morning and realizing it was an exceptionally beautiful and sunny early spring day, decided he just had to play golf.\*\*

\*So ... He told the Associate Pastor that he was feeling sick and persuaded him to say Mass for him that day.\*

\* As soon as the Associate Pastor left the room, Father Norton headed out of town to a golf course about forty miles away.\*

\*This way he knew he wouldn't accidentally meet anyone he knew from his parish. Setting up on the first tee, he was alone. After all, it was Sunday morning and Everyone else was in church!\*

\* At about this time, Saint Peter leaned over to the Lord while looking down from the heavens and exclaimed\*

\*\*"You're not going to let him get away with this, are you?"\* \*The Lord sighed, and said, "No, I guess not."\*

\*Just then Father Norton hit the ball and it shot straight towards the pin, dropping just short of it, rolled up and fell into the hole.\*

\*IT WAS A 420 YARD HOLE IN ONE!\*

\*St. Peter was astonished. He looked at the Lord and asked, "Why did you let him do that?"\*

\*The Lord smiled and replied, "Who's he going to tell?"\*

God Bless us all.

## HONEY

For relief of irritating throat symptoms, the National Honey Board suggests trying a spoonful of honey to soothe and coat your throat. For recipes including honey, visit [www.Honey.com](http://www.Honey.com).

## DROP OF A HAT

A little boy and his grandma were walking along the shore when a huge wave appeared out of nowhere and swept him out to sea. The horrified grandmother fell to her knees and prayed, "God, please return my beloved grandson and send him back safely."

Suddenly, a second huge wave washed in, depositing the little boy on the sand at her feet.

She picked him up, looked him over, then looked up at the sky and said, "He had a hat."

## DO THE WRITE THING

Boost your mood by penning a quick thank you note to a friend or family member. In a Kent State University study, people who composed short letters of gratitude reported a significant increase in their overall happiness; those who didn't write showed no change. Focus your messages on acts that truly touched you personally (not more material matters like birthday gifts). Many study participants, for example, thanked their spouses for their years of love and emotional support.

## MAKE SUNSCREEN A YEAR-ROUND HABBIT

To help protect your skin:

1. If you'll be outdoors, wear a broad-spectrum, warwe-resistant sunscreen.

2. Be generous with it. Most people do not apply enough to cover all your exposed skin.

3. Reapply every 2 hours - or as directed on the label.

## Prayer to the Blessed Virgin (Never known to fail)

*Oh most beautiful flower of Mt. Carmel, fruitful vine splendor of Heaven, Blessed Mother of the Son of God, Immaculate Virgin assist me in my necessity. Oh, Star of the Sea, help me & show me herein, you are my mother. Oh, Holy Mary, Mother of God, Queen of Heaven & Earth, I humbly beseech you from the bottom of my heart to succor me in this necessity. There are none that can withstand your power. Oh show me herein you are my mother. Oh, Mary, conceived without sin, pray for us who have recourse to you. (3x) Holy Mother, I place this cause in your hands. (3x) Holy Spirit, you who solve all problems, light all roads so that I can attain my goal. You who gave me the divine gift to forgive & forget all evil against me and that in all instances in my life you are with me. I want in this short prayer to thank you for all things as you confirm once again that I never want to be separated from you in eternal glory. Thank you for your mercy toward me and mine. You must say this prayer 3 consecutive days. After 3 days, the result may be granted. This prayer will always be printed in the Memogram to satisfy your obligation to have it published if your request was granted. You need do nothing further.*

## REPORT ADDRESS OR PHONE CHANGES

It is extremely important for a member to report a change in his address to Financial Secretary Dennis Glander so as to continue receiving the Council mailings, Columbia magazine, etc.

Changes in phone numbers are also important so that the council can provide counselling on financial and insurance matters and for any emergency situations.

**WALK THIS WAY**

After a teen passed his driving test, he asked his father when he could get a car.

The father said he would make a deal with his son, "You bring your grades up from a C average to a B average, spend more time studying your Bible, and get your hair cut. Then we'll talk about the car."

The boy took his father up on the offer.

Several weeks later, he reminded his father about their deal.

"Son, you're grades are up and I've noticed you studying your Bible more," his dad replied. "But I'm disappointed you didn't cut your hair."

"Dad, I've been thinking about that," the teen said. "Reading the Bible, I noticed that Samson, Moses, and Jesus all had long hair."

After a moment, his Dad replied, "Did you also notice that they all walked everywhere they went?"

## WATCH A RERUN

It's not often that the boob tube is linked to health benefits, but this is one of the exceptions. Rewatching favorite episodes allows your brain to recharge, restoring levels of self-control and increasing willpower, say researchers at the University at Buffalo. This type of brain break may give you that extra oomph needed to finish a lengthy report or hit the gym.

## TIDY UP

Cleaning your place nightly can result in more than just sparkling floors: Researchers say well-kept homes house healthier people. It's unclear if the elevated heart rate and calorie burn from housekeeping is responsible for fitter occupants or if caring for your home is linked to caring for your body, but whatever the reason, get mopping—it's a win-win.

## CREDIT CARDS

New rules implemented by the Federal Reserve will change the kind of information that credit card companies must provide to consumers and when they must provide it. To learn more, visit [www.federalreservegov/creditcard](http://www.federalreservegov/creditcard).

## PORCH TALK

A couple is sitting on the porch sipping wine. The wife says, "I love you."

The husband says, "Is that you or the wine talking?"

The wife replies, "It's me, talking to the wine."

## SAVE THOSE LABELS

Memorare Council is collecting *Campbell Soup* labels. Bring them to any Council meeting where Bro. Tom Gallagher will accept them.

## RETIRED KNIGHTS NEWS

At our August 5th meeting we had coffee and cake and a treat from PGK Alan Malangone of sandwiches from the 300 cocktail party.

A while ago the Retired Knights donated \$100.00 to the cystic fibrosis fund which in turn set up a scholarship for Bro. Tony DiDonato's niece Heather Teleschi who passed away from the disease. Bro. Tony reported a \$1000.00 grant was given to Brett Murphy.

I also would like to thank the officers and members of the shuffleboard league for approving the naming of our year end tournament, "the Charlie Money Memorial tournament in memory of our late brother Bro. Charlie Kuchlewski.

Treasurer PGK Richie Locke is still collecting dues so if you haven't sent in your dues please do so.

Bro. Jack Burns is looking into hiring a bus for the guide dog trip in November to Villa Roma. If he gets enough members to sign up he will contract for the bus. Any questions he can be reached at 516 221- 6497.

Good to see Bro. Charlie Schmitt back after his stay in the hospital.

Happy 78th birthday to Bro. Lou Crucato on October 19th.

A little boy just back from Sunday school asked his father if Noah had a wife, of course replied the father her name was Joan of Arc.

September is when millions of shining happy faces turn towards school, they belong to the parents.

Please drive carefully.

Pray for our sick and distressed.

Fraternally,  
Nick Tirino, PGK

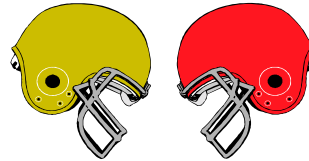

**MEMORARE  
FISHING CLUB  
By Ed Ireland**

Six of us went fishing on the "Captain Bob" in Mattituck at the end of August. Jim Miller won the pool with a 20 lb. striped bass. Ken Iadarola, Tom Mc Hale, Mike Stackpole, Tony Villaneuva and I had a good time catching bluefish, striped bass, porgies and sea bass. Glad to hear Tom Mullin is recuperating. In the beginning of September there were still plenty of "keeper" fluke in the bay. I took my three grandsons on my boat and they caught five keeper fluke. Cavit who is 8 year's old caught a 23 inch fluke. I took my two granddaughters to a resort in Virginia and I am still sore from the slides and tubes in the waterpark. Blackfish season begins on Oct. 5 and I can't wait, Last year's Hurricane Sandy made it a short season. The NYS Dec is having their Fall Fishing Festival on Sat. Oct. 19th. at Hempstead Lake Park. We volunteer each year and it is a great day for the kids. They fish for free and they all get a pumpkin and prizes. It is from 10 AM to 4PM. Shuffleboard season has begun and I still can't figure how the summer flew by so quickly. Jim Miller recruited some fishing club members to help prepare the food for the Seminarian Communion Breakfast run by John Kaley. Great job all around.

Our next meeting is Mon, Oct. 21 at 7:30 PM in the Columbian Room.

Quote: "Anglers ... exaggerate grossly and make gentle and inoffensive creatures sound like wounded buffalo and man-eating tigers."

TAKE A KID FISHING
