GRAND KNIGHT'S MESSAGE

On September 10th, Memorare along with Padre Pio Assembly ran Octoberfest. This was a very successful evening with over 300 in attendance. I would like to thank PFN SK Bill Roller for a job well done. A great time was had by all. I would like to thank all who served the food and our bartenders.

October 8th will be Italian Night. The tickets are still \$30.00 per person but the menu has changed to Chicken Parmesan. See PGK John Savin or PGK John Campanaro for tickets.

On November 12th Memorare will show it gratitude for a year of hard work for our Junior Past Grand Knight SK Alan Malangone by having a Testimonial. Let's show Alan our support by attending this affair. Chairpersons for this event are Past Grand Knights Pat Vivona, Joe Marchia & John Campanaro. The cost is \$35.00 per person. Tickets will go on sale after the September 21st meeting.

Our Memorial Mass will be held on November 16th in honor of our deceased Knights & Columbiettes. Please plan on attending.

I don't know about you but I am not going to miss these hot humid days of summer and look forward to some nice cool fall weather.

**HEARD 'ROUND
MEMORARE**

By Mike Bonagura

E-mail: editor3476@aol.com

This again as last year was a tough issue to prepare because my deadline of September 14 was just after I returned from the fantasy world of Disney. Most of this paper was written in August right after I completed the September issue. It was extremely tough to get dates and details on events happening in October and November from Council Chairmen. When I asked them for information, they look at me as if I had 2 heads and said you want stuff now in August? That's what happens with tight deadlines. I did not even attempt to seek information for December events. That's for next month.

I managed to save some money for my October family birthdays so happy birthday to my daughter, Sis.Col. Trish Campanaro, Oct. 3, my wife, Sis. Col. Dolores, Oct. 4, granddaughter, Elizabeth, Trish's daughter, Oct. 12, granddaughter, Angela, Bro. Michael's daughter, Oct. 13, and finally my son, Bro. Anthony, on Oct 28.

I'll leave now with this thought, "Heavenly Father, help me realize doing Your Will is what really matters."

SMILE

When I told my wife to pull the plug if I was ever in a vegetative state, she unplugged the TV.

CHAPLINS CORNER

Many years ago the Catholic Church and pro-life activists of all denominations foresaw that the laws legalizing abortion would one day become laws requiring abortion. In other words, the concept of "freedom of choice" would eventually allow only one choice.

This prediction recently took one step closer to complete fulfillment with a new "preventive services mandate from the Department of Health and Human Services requiring private health plans to cover female sterilization and all drugs and devices approved by the FDA as contraceptives. This even includes drugs which can attack an unborn child before and after implantation in the womb. Unfortunately, as Cardinal Daniel Dinardo, chairman of the USCCB Committee on Pro-Life Activities, has pointed out, the present religious exemption to such a mandate is so narrow that Catholic institutions could act in accord with Catholic teachings only if they cease hiring and serving non-Catholics.

Fortunately, there is a bill before Congress, the Respect for Rights of Conscience Act, which would prevent such a mandate from ignoring religious convictions. As Cardinal DiNardo said in a July 22 letter supporting the bill, "Those who sponsor, purchase and issue health plans should not be forced to violate their deeply held moral and religious convictions in order to take part in the health care system or provide for the needs of their families or their employees. To force such an unacceptable choice would be as much a threat to universal access to health care as it is to freedom of conscience."

It makes no sense that the Administration is simultaneously trying to bring health care to more Americans than ever before while endangering the survival of

institutions that provide that health care. Unfortunately, as long as pregnancy is treated by HHS as a disease and the rights of conscience are disregarded, this contradiction will remain. The pro-life activities of the Knights of Columbus have been of great value in this struggle, and your letters to Congress and to the President might turn the light of reason and true freedom of choice upon this problem.

A NOTE OF THANKS

My wife, Kathy, and I recently enjoyed the Mediterranean Cruise conducted by Marge and Larry Zontini, PGK. We would both very much wish to Thank Marge and Larry for a very enjoyable trip. I know there was a lot of time and effort devoted to running this trip and too often that effort goes unnoticed.

Also, we would like to extend our thanks for all the help and understanding afforded during the many excursions Marge put together during the cruise. Everyone [including 7 PGKs] were extremely helpful and understanding to the extra needs of my wife and I.

God Bless All and we both miss the good times and brotherhood Memorare offers.

Prayer to the Blessed Virgin

(Never known to fail)

Oh most beautiful flower of Mt. Carmel, fruitful vine splendor of Heaven, Blessed Mother of the Son of God, Immaculate Virgin assist me in my necessity. Oh, Star of the Sea, help me & show me herein, you are my mother. Oh, Holy Mary, Mother of God, Queen of Heaven & Earth, I humbly beseech you from the bottom of my heart to succor me in this necessity. There are none that can withstand your power. Oh show me herein you are my mother. Oh, Mary, conceived without sin, pray for us who have recourse to you. (3x) Holy Mother, I place this cause in your hands. (3x) Holy Spirit, you who solve all problems, light all roads so that I can attain my goal. You who gave me the divine gift to forgive & forget all evil against me and that in all instances in my life you are with me. I want in this short prayer to thank you for all things as you confirm once again that I never want to be separated from you in eternal glory. Thank you for your mercy toward me and mine. You must say this prayer 3 consecutive days. After 3 days, the result may be granted. This prayer will always be printed in the Memogram to satisfy your obligation to have it published if your request was granted. You need do nothing further.

IN A BINDER

Organize your overflowing envelope of coupons into a three-ring binder by their expiration dates. Protection sheets that have individual slots (often used for trading cards) work the best.

NOTE

When I ask, "What's in it for me?" My bowl will never be full. When I ask, "What can I give to others?" My bowl will never be empty.

COMFORTABLE

Two sisters, one blonde and one brunette, inherit the family ranch. Unfortunately, after just a few years, they are in financial trouble.

In order to keep the bank from repossessing the ranch, they need to purchase a bull so that they can breed their own stock.

Upon leaving, the brunette tells her sister, 'When I get there, if I decide to buy the bull, I'll contact you to drive out after me and haul it home.'

The brunette arrives at the man's ranch, inspects the bull, and decides she wants to buy it.

The man tells her that he will sell it for \$599, no less.

After paying him, she drives to the nearest town to send her sister a telegram to tell her the news.

She walks into the telegraph office, and says, 'I want to send a telegram to my sister telling her that I've bought a bull for our ranch. I need her to hitch the trailer to our pickup truck and drive out here so we can haul it home.'

The telegraph operator explains that he'll be glad to help her, then adds it will

cost 99 cents a word.

Well, after paying for the bull, the brunette realizes that she'll only be able to send her sister one word. After a few minutes of thinking, she nods and says, 'I want you to send her the word 'comfortable.'

The operator shakes his head. 'How is she ever going to know that you want her to hitch the trailer to your pickup truck and drive out here to haul that bull back to your ranch if you send her just the word 'comfortable?'

The brunette explains, 'My sister's blonde. The word is big. She'll read it very slowly... 'com-for-da-bul.'

Meeting space is at a premium at Memorare, and the following rule is now in effect:

ANY COUNCIL OR COLUMBIETTE MEETING OR FUNCTION MUST BE COORDINATED IN ADVANCE WITH GRAND KNIGHT RUDY KOENIG WHO WILL CLEAR AND APPROVE THE DATE WITH S.K. EUGENE BREE.

Remember, if your function does not appear in the Club's datebook, it does not exist.

MEATBALL MADNESS

Americans' love affair with the meatball is everlasting. Across the country, delis, restaurants and mom and pop diners keep coming up with new twists on this comfort food classic. There are lamb, chicken and seafood versions as well as the usual beef, pork and veal. Some are roasted with herbs, stuffed with cheese or glazed with ethnic or fusion sauces. Chefs are skipping the pasta and tucking the lovely orbs into sandwiches or serving them with sides like cous cous, polenta and risotto.

SMILE!

Everyone makes me smile. Most when they arrive, the others when they leave.

PRO-LIFE CHAIRMAN

Outside Guard Joseph Scarpia has agreed to take the position of Council Pro-Life Chairman.

Joe and his wife have been active in the Pro-Life movement and we anticipate revival in interest in the Council with Joe's input.

Memorare welcomes Joe and wishes him success.

DRESS UP A WINDOW

Dress up a window for the witching hour with a colorful striped awning and a few wickedly wonderful pumpkins.

Here's how: Cut enough sheets of color art paper into strips to fit the width of your window. Create a scalloped edge on the bottom of each strip by tracing around a plate. Lay out the strips in your desired color sequence, making the two outer strips longer than the rest, and tape them together along the seams. Length depends on size of window. Fold the top edge under about an inch, and tape that edge under the window molding.

NOTE

Hurtful things wrinkle my heart - forgiveness puts it back into shape.

RESPECT

On October 5, 2010, President Barack Obama signed Rosa's Bill into Rosa's Law and, in effect, it changed reference in the federal law from mental retardation to intellectual retardation and reference to a mentally retarded individual to an individual with an intellectual disability.

AHRC went a step further and introduced the new R-WARD, RESPECT. While the law changed the reference to a person's disability, it continues to be used to insult and hurt others.

AHRC has asked us to make a pledge to NOT USE the word and eliminate it from our vocabulary.

As Catholics and members of the Knights of Columbus, I hope this pledge is taken by members of Memorare Council and your families and kept seriously.

RETIRED KNIGHTS NEWS

By Nick Tirino, PGK

Due to hailstorms, earthquakes, hurricanes & holidays the news has been sparse but please be sure I will do my best to keep you all up on the Retired Knights functions. Hurricane Irene was kind enough to flood the Columbian Room and thus cancelling our 8/29 meeting as we had to bail it out. Hope everyone managed Ok through the storm. Our Sept 5th meeting was also cancelled for Labor Day Weekend. I hope everyone was able to get out and enjoy the better weather.

VP Brother Jack Burns presided over our 8/22 meeting while Pres. Ron is touring Europe. The meeting lasted approximately 20 minutes which was a little longer than usual. Thanks Jack.

President Ron Ade has announced that due to illness our Treasurer Bob Arnone had to resign from office. PGK & FDD (any more initials?) Sal DeAngelo has stepped up and accepted the position. He will start as soon as he gets back from his tour of Europe. I must have missed my Invite for all these Europe trips.

A big Happy Birthday to my son Richard whose birthday is on Sept 26. Rich has been a member of Memorare Council for 30 years starting back from being as a squire.

A little tidbit from Bro. Sal Canzoneri. Cell Phone companies charge for 411 calls-seems few people know this. Consumers should dial 800-free 411 (800-373-3411) to not be charged for their calls. Thanks Sal.

On a medical issue please make sure you discuss all your medications with your doctors as mixing certain drugs together can be a recipe for disaster. This seems to be fairly common because as we all know when we get older our number of Doctors increase. Luck us. But trust me I learned this the hard way.

Please pray for our sick & distressed.

NOTE!

I can't remake who I am but I can strive to be the best that God has made me.

I can't do everything. But everything I do, I can do it with love.

OH SHUCKS

Prospective bride calls hotel and asks question. Hotel clerk's answer is: "That's correct, ma'am." None of our honeymoon suites have sports channels."

THE HAIRCUT

A teenage boy had just passed his driving test and inquired of his father as to when they could discuss his use of the car.

His father said he'd make a deal with his son: "You bring your grades up from a C to a B average, study your Bible, and get your hair cut. Then we'll talk about the car."

The boy thought about that for a moment, decided he'd settle for the offer, and they agreed on it.

After about six weeks his father said, "Son, you've brought your grades up and I've observed that you have been studying your Bible, but I'm disappointed you haven't had your hair cut."

The boy said, "You know, Dad, I've been thinking about that, and I've noticed in my studies of the Bible that Samson had long hair, John the Baptist had long hair, Moses had long hair ~~~and there's even strong evidence that Jesus had long hair."

YOU'RE GOING TO LOVE THE DAD'S REPLY: "Did you also notice that they all walked everywhere they went?"

MEMORARE FISHING CLUB

By Ed Ireland

Our fishing trip on Aug. 16th was a success. Although the bluefish weren't biting, we caught numerous fluke. The slight rain didn't faze our 22 smiling fishermen. We did manage 6 keeper fluke. Gary Cosenza was first and Bill Brust placed second in our boat pool. Frank Tetro's grandson was also a pool winner. Believe it or not—Ken Iadarola caught and released a seagull.

I went fishing in Montauk in mid-August and caught many striped bass and fluke. Great time! Mike Stackpole was on my boat when line started peeling off his reel. After 15-20 minutes of chasing this fish we netted a 40 lb sting-ray which we released. What a thrill! If you are fishing near the second Wantagh Bridge and find a couple of anchors please return them to Jim Miller. Ed Sweeney and Jim Miller still catching some "keeper" fluke in the bay.

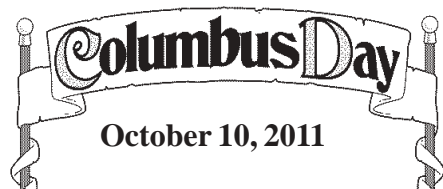

Our next meetings are Oct. 17th and Nov. 21st at 7:30 PM.

Quote...“I am not against golf, since I cannot but suspect it keeps armies of the unworthy from discovering striped bass.”

Thanks to Sal Canzoneri, Carlo Ruggiero and Joe Ferraro for hosting an Old Fashioned Roaring 20's Weekend attended by many of our members. Hurricane Irene couldn't stop our gang from singing and dancing. Bob Moulder and George Ritter added to the entertainment.

Although school has begun it is never too late to-----
